

# TECHNO TRACK

## COLLECTION

Vesta's Techno Track Collection is hand-traversing and designed with extensive one-way draws in mind. The collection's Techno brackets support the aluminum extruded track from above, allowing the gliders unfettered access along the entire bottom rail of track. Most items are stocked and available for quick shipping.

**AVAILABILITY:**

most items in-stock, typically ships within 24-48 hours. (special order finials from European Elegance and Geolux collections take 3 - 4 weeks, no returns)
