Single bend

Double bend

The following information is required:

- Set length a, b and c
- Set angle α and β
- Wall distance t

NOTE:

Dimensional tolerances of +/- 15 mm and +/- 2° possible.

Complicated bends are only possible with a 1:1 template as a top view.

All bends/curves require a 1:1 template.

Brushed Nickel and Bronze finishes may distort at bend/curve.

Crating/Packaging: As required.

Custom bends and curves are non-returnable.

Master carriers may not pass by bends.
